**SUSTAINABLE FOOD SYSTEMS**

# CONNECT

**A space for faculty, staff, and other researchers working in the realm of food, agriculture, and food-related social systems across UC Davis to create meaningful connections, foster collaborations, and collectively impact outcomes.**

**Grand Challenges Sustainable Food Systems** draws on the collaborative spirit of the university to address entire food systems and will move the world toward a new paradigm that values restorative agricultural practices, improves access to nutritious food, advances biotechnology, and uses food as medicine.

**TUESDAY,  
JANUARY 16**

**INTERNATIONAL CENTER -  
MULTIPURPOSE ROOM**

**10:00 AM - 1:00 PM**

*EVENT BEGINS AT 10:00 AM WITH ACTIVITIES ENDING  
IN A NETWORKING LUNCH FROM 12:00-1:00 PM.*

**RSVP to:  
[grandchallenges@ucdavis.edu](mailto:grandchallenges@ucdavis.edu)**
